Ride For Tomorrow

Trail bike riding is great fun, but just so you don't spoil the fun for others who come to use the forests, please note the following.

Reduce Your Noise

DSE and VicRoads have developed some new signs to indicate noise sensitive areas where riders should ride more slowly and quietly. Obeying these signs is voluntary (i.e. not a legal requirement), but if riders ride slowly and quietly in these areas, it will help keep the peace and be greatly appreciated by other forest users and nearby residents.

Respect the Environment – Respect Others

- Riders must be licensed - motorcycles must be registered
- Ride Legal - Stay on Forest Roads
- Take your litter home
